### AWARDING OF THE SECOND CAMPUS AWARD

Once again, about 100 guests were drawn to campus by the impressive Campus Award – despite the weather outside being fantastic. But it was all about sustainability and new ideas on the way there – and about nothing short of the absolute passion for research for the benefit of the people on this planet. [Read more...](#)

### ON AN ESPRESSO WITH... MICHAEL WOLFF, MANAGING DIRECTOR OF THE FILM PRODUCTION COMPANY FACT+FILM IN BREMEN

Let's rather say, this conversation had a cappuccino length. Michael Wolff is not only active in film production but also – as an alumnus of the University of Bremen – deputy chairman of the board at Alumni der Universität Bremen e.V. We were, therefore, very interested in his memories of the university, his time as a student, campus life, and the time after. [Read more...](#)

## BITTEN BY ICE, BURIED IN ICE - STORIES FROM GERMAN POLAR RESEARCH

Bremen stands for modern polar research. This can be seen on institutions such as the marum - Centre for Marine Environmental Sciences of the University or the AWI - Alfred Wegener Institute in Bremerhaven. Polar research is also an important part of Bremen's history. Since 2007, the aim of the historical theatre project "Aus den Akten auf die Bühne" has been to get history to talk and documents to speak: the students do research on the documents - the Bremen Shakespeare Company then puts them on stage. The premiere will be on May 23rd 2018 (7 p.m.) at the German Maritime Museum in Bremerhaven. [Read more...](#)

## THE ALUMNI RETURN TO THE GERMAN BUNDESTAG

We have been invited to the capital by Sarah Ryglewski, Bremen member of the Bundestag and alumna of the University of Bremen. Therefore, we have the opportunity to dive into federal politics. The one-day excursion will have many exciting insights for us. The trip has become a tradition, and word spread like wildfire after our last newsletter was issued. Therefore, the event is already fully booked. However, putting down your name on the waiting list may still be worth it. [Read more...](#)

## PROJECT OF OUR ALUMNA: FINJA FORSCHT

We would like to draw your attention to the "Finja forscht" project of our Alumna Isabell Harder. A children's book series about research in Bremen! In the book, 10-year-old Finja seeks answers from researchers to questions that children ask themselves: Which animals live at the bottom of the sea? What's a rocket made of? How does the E-Mail arrive? Each book in the five-part series gives answers suitable for children...

If you want to know more about the project, you can get the latest news on Facebook. [Read more...](#)
